Dear Parents, Guardians, Carers and Friends of St. John’s,

Welcome back to our final term of the school year. I trust that you managed to spend some quality time together and enjoyed a slower pace than term time.

Term 4 is only nine weeks in length and is typically a very busy term. I would like to remind all families of the importance of having a sound routine for children during term time. Children respond well to familiar routines and knowing what is expected of them. Please continue to work in partnership with your class teacher as we work towards the best possible outcomes for our children. Remember to stop and celebrate the successes our children make and to celebrate who we are and what we do at St John’s.

More information about Term 4 will be published in next week’s Newsletter. Please ensure you read the Newsletter each fortnight as it will contain important information on upcoming events.

This term Mrs Noiosi will be replaced by Mrs Helen Belbin on Thursdays as teacher aide in the classrooms and by Mrs Strano in the Prep class on Fridays. Mrs Noiosi has commenced maternity leave.

On Tuesday staff attended a professional development session with Maggie Dent. Maggie is an author, educator and parenting and resilience specialist with a particular interest in the early years and adolescence. She is an advocate for the healthy, common-sense raising of children in order to strengthen families and communities. Maggie has a broad perspective and range of experiences that shapes her work, a slightly irreverent sense of humour and a depth of knowledge based on modern research and ancient wisdom that she shares passionately in a common-sense way. She is a passionate, positive voice for children of all ages. During this term we will share some of Maggie’s insights into raising children.

God bless,

Acting Principal
